

~ Quote of the Week ~

You don't really understand human nature unless you know why a child on a merry-go-round will wave at his parents every time around - and why his parents will always wave back. ~*William D. Tammeus*

~ DON'T FORGET YOUR MOTHER ~

Just a little reminder that Mother's Day is Sunday. Whether you'll be spending some personal time with your mother or sending your love and wishes long distance, it's a good idea to think of some memorable gifts to mark the occasion and thank her for being such an important influence in your life. Some people tend to forget this, but you can also get Mother's Day gifts for your wife (if she's a mom), your grandmother, your mother-in-law, your step-mom, or anyone else you have a motherly bond with.
