~ GOLDEN BROOK SCHOOL NEWS ~

Golden Brook School hosted the annual Seniors Breakfast on June 8th, 2007. All students from the Graduating Class of 2007 who had attended Golden Brook School, regardless of where they attended high school were invited back to reminiscence with former classmates and teachers. Students had a chance to get-together one last time before they became graduates and moved on in different directions. Class photos were hung throughout the gymnasium for viewing and as students checked out the photos they commented how amazed they were at what they use to look like. They also enjoyed a light breakfast of bagels and muffins.

~ GOLDEN BROOK SCHOOL NEWS CONT. ~

Mrs. McGuire, Golden Brook School principal, spoke about how this was the last class she had taught when she was a 3rd grade teacher at Golden Brook.

Superintendent of Schools, Dr. Elaine Cutler, who was amazed so many students were up so early for the 8:00 A.M. breakfast, wished the students the very best, and told them that the community of Windham is very proud of their efforts and accomplishments. She told the graduates to enjoy their day and extended warmest congratulations.
